

DYNAMO 3

DYNAMO 3 is the younger member of the Dynamo family, using the same LED type, but in a smaller housing for 3 LED's. Having the versatility of the family (wash and beam light effect), this moving light can be the perfect solution for smaller applications.

LIGHT SOURCE	3x Multichip RGBW 40W LED's
OPTICS	4,5°-36° electronic zoom
COLORS	16.7M additive RGB colors with full saturation control
CONTROL	DMX512, RDM, ArtNet
DISPLAY	screen for auto and custom control
DIMMER & STROBE	0-100%, 0-25Hz
PAN & TILT	540°, 270°
INPUT VOLTAGE	100-240 VAC, 50-60Hz
MAX. POWER	128W
CERTIFICATION	CE, cETL
CONNECTIONS	power in/out via Neutrik Powercon, DMX in/out via XLR
HOUSING	flame retardant plastic (V0)
DIMENSIONS & WEIGHT	260x225x375mm, 6,15 Kg
WORKING TEMP.	0-45°C max.
