

Spark WASH4C

SparkWash 4C uses 44x 6W RGBW LEDs in a compact design that ensures easy and quick setup. A great and versatile IP65 wash luminaire.

light source	44x 6W RGBW LED
light output	12000lm
max. power consumption	260W
input voltage	100~240V AC, 50/60Hz
optics	35 degrees
control protocol	USITT DMX512 A
material / color	die-cast aluminum / black
certification	CE and RoHS2
dimensions / weight	490x285x105mm / 9,05kg
cooling	convection
working temperature	-10°C to 40°C
IP rating	IP65
